

Susan
Swims
at
School

My name is Susan. I am a student at Franklin High School.
Some days, I go swimming at school.

When I get to school, I can check my **calendar** to see if
it's a swimming day.

A

3rd

I swim on **A** days during **3rd** hour with Ashlea's P.E. class.

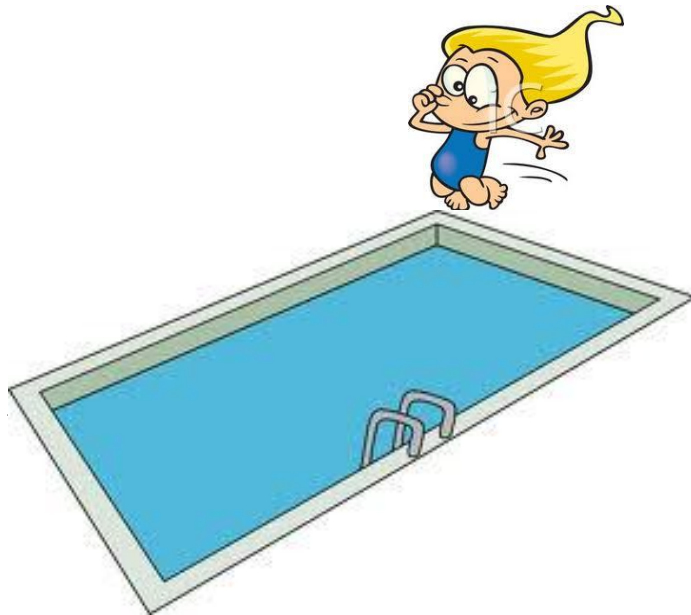

On swimming days, my teacher will tell me when it's time to go to the **bathroom** and put on my **swim suit**.

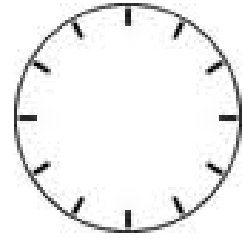

When my swim suit is on, my teacher will walk with me to the pool. I will sit on the bleachers and **wait with the other students.**

The teacher will tell everyone when it's time to get out of the pool. The other students will try to follow the rules and get out when the teacher tells them. This is a good thing to do.

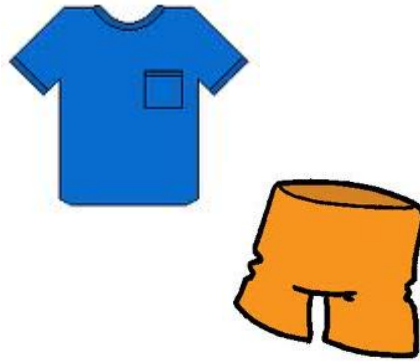

Sometimes, students might feel like swimming longer.

I will try my best to listen to the teacher and get out of the pool when my teacher tells me.

My teacher will feel happy if I get out of the pool when swimming time is finished.

When swimming is finished, I go back to the **bathroom** and put my **clothes** on.

Then, I walk back to B2 with my teacher. **Swimming is finished for the day.** There is no swimming in the afternoon.

My teacher can help me check my **calendar** to see when I will swim again.

Swimming at school is fun!
