WHAT'S INCLUDED: PICTURE RECIPE

A visual recipe is a great way to introduce kids to cooking where they can practice reading, math, science, and more! If you don't have access to a kitchen in your school, this is also great as a take-home activity.

The 1-page recipe for making Christmas cookies comes in color, black and white, letter, and A4 (International) version.

Find other free recipes and more ideas for teaching through cooking on [my blog](#). You can also make your own picture recipes for kids on [The Trip Clip website](#).

The image displays four versions of a 'Christmas Cookies' recipe card, arranged in a 2x2 grid. Each card features a kitchen icon at the top and a list of ingredients and instructions with corresponding icons. The top-left card is a color version with a green border. The top-right card is a black and white version with a green border. The bottom-left card is a color version with a grey border. The bottom-right card is a black and white version with a grey border. Each card includes a 'The Trip Clip' logo in the top left corner and a copyright notice at the bottom: 'Copyright 2009-2025 TheTripClip.com All rights reserved'.

WHAT'S INCLUDED: COLORING BOOK

- 33 Christmas-themed images, each on a half sheet of paper
- Color and black and white versions of all of them
- Letter and A4 (international) versions of all of them

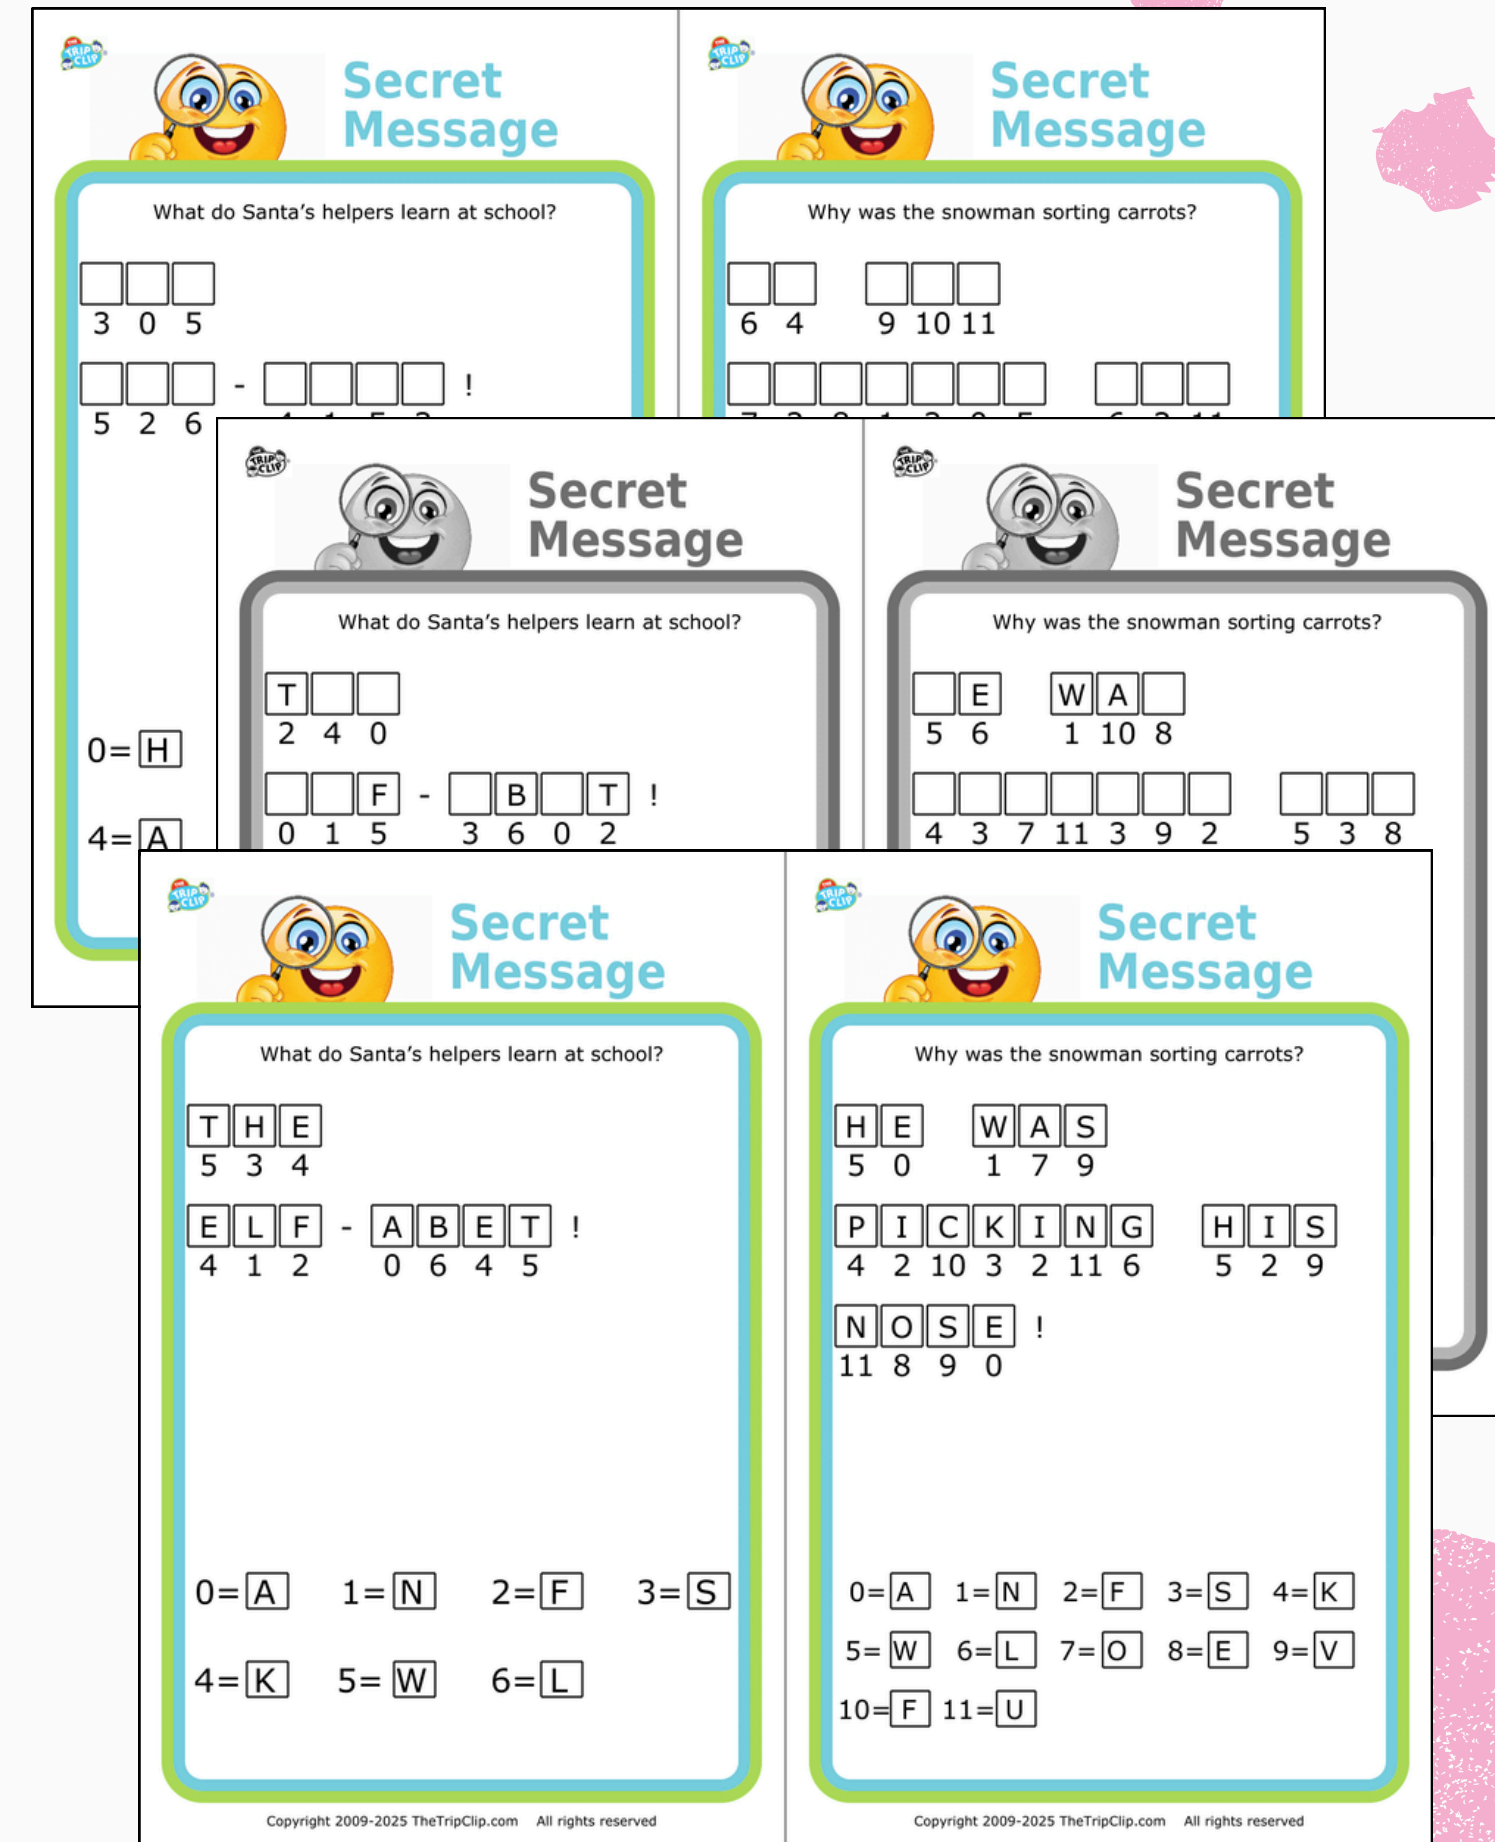

These printable pictures are good for celebrating Christmas while giving kids a chance to work on hand-eye coordination and early handwriting skills. There are images with thick lines for very young kids and more complicated images that will take more coordination. Make your own coloring book on [The Trip Clip website](https://www.thetripclip.com).

WHAT'S INCLUDED: JOKE BOOK

- 72 jokes in cryptogram form, each on a half sheet of paper
- All 72 jokes are available at 3 difficulty levels:
 - Beginner puzzles have the full key
 - Medium puzzles have a few letters filled in
 - Hard puzzles have just 1 letter hint
- Color, black and white, letter, and A4 versions of all the pages
- Answer keys

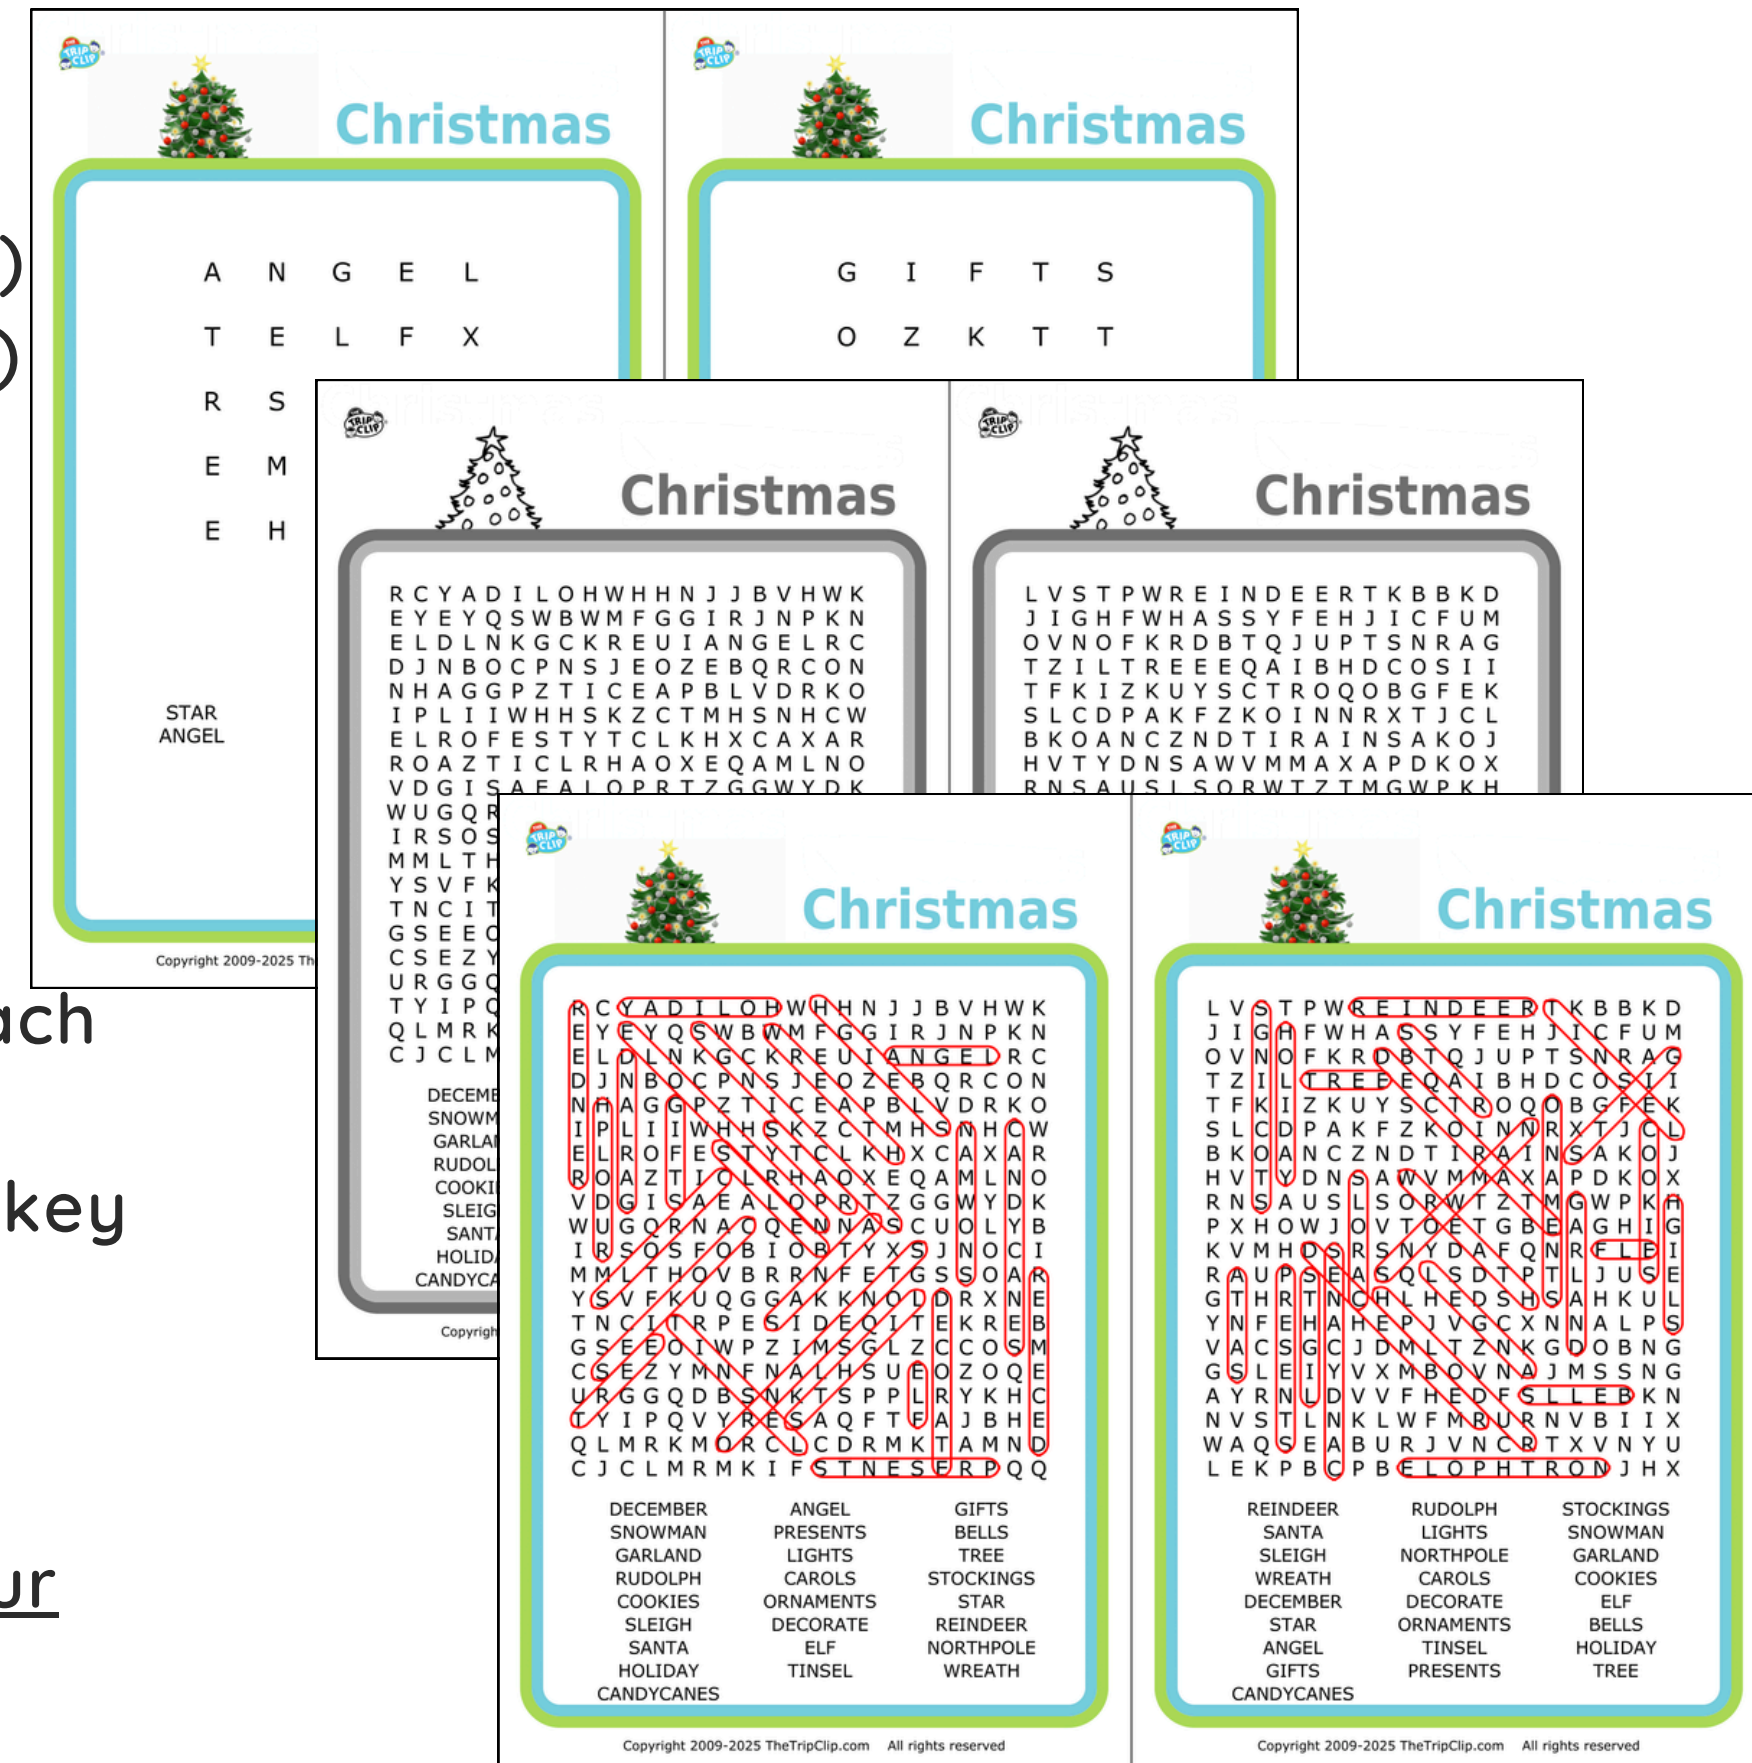

Secret Message Puzzles (or Cryptograms) are great for teaching problem solving skills that help in math, science, and computer programming. Kids will also be practicing letter recognition and early reading skills. You can also write your own puzzles!

WHAT'S INCLUDED: WORD SEARCH

- 14 puzzles, each on a half sheet of paper
 - Two 5x5 puzzles (no backwards or diagonals)
 - Two 7x7 puzzles (no backwards or diagonals)
 - Two 7x7 puzzles (no diagonal words)
 - Two 9x9 puzzles (no diagonal words)
 - Two 11x11 puzzles
 - Two 15x15 puzzles
 - Two 20x20 puzzles
- Each puzzle prints on a half sheet of paper
- There are black and white and A4 versions of each puzzle
- The back half of the packet includes an answer key

Kids will be working on vocabulary, spelling, recognizing common letter combinations, problem solving, and logical thinking. You can also make your own word search puzzles with any words you want!

WHAT'S INCLUDED: PICTURE CROSSWORD PUZZLE

- A Christmas-themed Crossword puzzle with picture clues and an answer key
- Color, black and white, letter, and A4 (international) versions

Crossword puzzles with picture clues are great for kids and they translate to fun spelling practice. Kids can do them individually or work on them together as a class. Kids can learn about how to match the clues to the location in the puzzle, identify the picture, and work together to spell the word correctly!
