4TH GRADE: 36 WEEKS

# 36 SPELLING WORD SEARCH PUZZLES

This packet includes 36 word search puzzles to cover a full year of 4th grade spelling words. Searching for the letters in the right order helps kids remember the correct spelling while they're having fun. Each puzzle includes 20 words (720 words all together), getting gradually more difficult from Week 1 to Week 36. The puzzles are 20x20 puzzles, just right for fitting all the words and challenging kids this age.

Use these as bell ringers, during down time, or assign them as weekly homework.
