# 10 Road Trip Bingo Boards

## ROAD TRIP BINGO

Keep kids entertained and off screens (at least for a bit!) on your next road trip. Print multiple boards and see who can find everything on their board first. Try them with a kid-sized clipboard from The Trip Clip® for great screen-free travel!

Teachers can use these on field trips and send them home with kids over holidays to help parents reduce screen time.

# IDEAS FOR HOW TO PLAY

- **5 in a row:** Have kids find 5 in a row (across, up and down, or diagonally) to win.
- **Fill the board:** For more of a challenge, have them try to find every item on the board.
- **Time them:** If they want to turn it into a game, time them to see how long it takes them to find 5 in a row, or find everything on the board. Then see if they can beat their time the next time.
- **How many?** You can also make it competitive by giving them a board each time you get in the car, and count how many they can find by the time you get to your destination
- **Cooperative multiplayer:** If you have multiple kids, print the same board, and have them work together to find everything on the board.
- **Competitive multiplayer:** If you have multiple kids, give each one a different board, and see who can find five in a row first.
- **Competitive multiplayer 2:** If you have multiple kids, give each one their own board, and see who can find them all first. If no one finds them all, the person who finds the most wins.
