How To Make a Jobs Chart

Print the PDF from TheTripClip.com (free)

Write the names of the kids in your class on the blank squares

Trim the Jobs Chart to 7.5" x 10"

Laminate both sheets of paper

Trim the edges of the laminated Jobs Chart to match the paper size

Cut apart the job and name squares

Put Velcro circles on the chart and on the back of each square

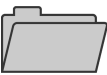

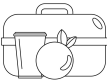

Assign jobs on your board!

Use TheTripClip.com to get more pictures, change the titles of the jobs, and type in the kids' names
