

Going To the Doctor

	Wait in the waiting room
\frac{1}{2}	A nurse with a clipboard will call your name
3 3	She will take your temperature
10 2 10 2 10 3 8 4 10 4	Wait quietly
	The doctor will come in
	The doctor will listen to your heart and lungs
	The doctor will look inside your mouth
	The doctor will look inside your ears
	The doctor will talk to your parents

The nurse will come back to give you a shot
You'll get a bandaid
You're all done, you can say goodbye!
Time for a treat!
