

# Social Distancing

## Going to the grocery store

-  Put on a mask
-  Remember not to get too close to other people
-  Wait your turn to go through the doors one person at a time
-  Leave space in front of you in line
-  Wash your hands for 20 seconds when you get home

## Going on a walk

-  Put on a mask
-  Remember not to get too close to other people
-  Cross to the other side if there are people nearby
-  You can still wave hello!
-  Wash your hands for 20 seconds when you get home

## Going to the doctor

-  Put on a mask
-  Try not to touch any door handles - use your elbow if you can
-  Press buttons with your knuckle
-  Use hand sanitizer when you get to the doctor's office
-  Wash your hands for 20 seconds when you get home

## Stop the spread of germs!

-  Wear a mask when you leave the house
-  Try to not touch your eyes
-  Try to not touch your nose
-  Try to not touch your mouth
-  Don't get too close to people who aren't family members
-  Wash your hands often
